Residential Neighborhoods**

Agent Rusty Rea has informed me  
there is an ordinance CVMC 10.52.090  
that does not allow commercial trucks to  
park in residential neighborhoods. If this  
is a problem in your neighborhood  
**CALL the police** and they will cite them:

Rhodes)

Does Chula Vista Need a Police Review  
Board?

**Did You Pay a Fee for sidewalks  
or alleys when you got a permit?**

These fees should be in separate  
accounts by neighborhood so that the  
paid for repairs can get done, but when I  
inquired about amounts of money no one  
was able to provide information. This is  
troubling.
